13 # Local Dining Guide
14 Web Based Dining Information Solution
15
16 Welcome to the Local Dining Guide project! This web-based software solution is designed to
17 provide users with comprehensive dining information, making it easy for them to explore
18 and discover local restaurants, cafes, and eateries. Whether you're a food enthusiast looking
19 for new culinary experiences or a traveller seeking the best dining spots in town, Local
20 Dining Guide has got you covered.

Looks good to me

😊

 alex-pythonista merged commit **bb88b13** into `development` now

[View details](#) [Revert](#)

1 check passed

Pull request successfully merged and closed

You're all set—the `task1branch` branch can be safely deleted.
